EDITOR'S BOTTOMLINE

THE JOURNEY IS THE REWARD: ***All journeys have wondrous secret destinations that we might be unaware of, and sometimes we're so focussed on the places we want to reach, we fail to see these hidden gems. To travel mindfully is better than to just move from one point to the other.***

My husband is soon celebrating his 50th birthday and although he is rather reserved and a person of few wants and needs, I thought it would be gratifying to bring together family and friends to mark this special occasion. As the days progressed we thought about the guest list, the menu, the dress code and other party accoutrements. It took a lot of back and forth interactions, sometimes amusing and sometimes not so amusing to arrive at something that everyone agreed upon.

Much dissent, cajoling and laughter was required to make people see a disparate point of view. There was also a lot of discussion and excitement around coordinating our outfits. To decide on a menu we went around sampling food from quite a few restaurants. This got us looking beyond our usual preferences as we tried to explore something new. While meeting the proprietors, interacting with myriad people and trying out different food, we created some new favourites… people and food alike.

Eventually, it did not matter what we wore or decided for the menu, what mattered was the thought we put into planning and preparing for the occasion. We had already made memories even before we had gotten close to the journey's end. The journey fills you with more stories than the destination ever can.

There will always be more sojourns and more landing places, and sometimes, the journey might end up being something we did not expect.

Curve balls, hardships or challenges could be our companions for a while as voyages rarely unfold the way we want them to. And therein lies their beauty, for who we are when we leave for the journey and who we become when we return, are two very different people. As you start to walk on the path, the path appears and when you've travelled far enough, the journey will transform you and you'll finally find what you are looking for — yourself. Whether physical or internal, the journey is the reward.

Emoji Drone Show breaks record

London: A British man who developed an interest in drone shows broke Guinness World Record for the most emojis formed by drones in three minutes. Christopher Bradbury said his passion for all things aerial began in 2007.

"I started flying model aircraft in 2007 as I was going through chemotherapy for cancer," he told Guinness World Records. "I found it got me out of the house, which was great for my physical therapy as well as my mental well-being at the time."

"I now do aerial filming for TV and film, I do surveying work and I've started playing with drone swarms." Bradbury took on a Guinness World Record by programming his 109 drones to form the images of emojis including eggplant, poop, rocket, magnet and various faces in the sky. He managed to form 30 emojis in three minutes, breaking the previous record of 24.

Wedding video found after 57 years

Aberdeen: A couple living in Australia were reunited with a long-lost video of their wedding in Scotland after 57 years, thanks to a Facebook post.

Terry Cheyne of Aberdeen, Scotland, said he had amassed a large collection of Super 8 films over the years, most of which he shot himself, but when he decided to have his collection transferred to DVD in April of this year, he discovered the reels included a wedding between two people he didn't recognise. He posted a still image from the film to a local Facebook group, but six months went by without any leads on the identity of the couple.

The photo was recently shared to a group for natives of Aberdeen's Mastrick area and it came to the attention of Aileen Turnbull. Turnbull, 77, who lives in Brisbane, Australia, said, she had only been a member of the Facebook group for five minutes when she spotted her own wedding photo.

Stray dog menace: MCC must set up a help desk

Sir,

Some time ago, I wrote about the dog menace in Dattagalli 3rd Stage and several other *Star of Mysore* readers have also expressed similar concerns. Unfortunately, all our letters seem to have fallen on deaf ears!

The Mysuru City Corporation's (MCC) Public Relations Officer (PRO) has never bothered to respond — not even once. I begin to wonder if a PRO even exists in the MCC!

It's high time that the MCC sets up a help desk with a functional contact number for the public to report dog-related issues. This way, MCC can send its dog control squad to catch the aggressive dogs and relocate them according to Government guidelines.

This would prevent residents from being attacked by dangerous pack of dogs in their neighbourhoods.

Can we, as tax-paying citizens, assume that a PRO exists within the MCC and that we will finally receive a positive response, followed by prompt action?

Replicas of Mysore Palace, Golden throne beckon visitors at Dasara Expo

The gem studded Golden Throne assembled for Dasara at Durbar Hall in Mysore Palace. Picture right shows the wooden replica of the Golden Throne installed inside the replica of the Wooden Mysore Palace at Dasara Exhibition Grounds.

Mysuru, Oct. 6 (GA&KS)- Wooden replicas of Mysore Palace and the Golden Throne have become the main attractions at the Dasara Exhibition.

With an aim of promoting 'Brand Mysuru,' Karnataka Exhibition Authority (KEA) has built the wooden replica of Mysore Palace at a cost of Rs. One crore, which has been drawing large crowds towards it.

This replica is of the Wooden Palace which was destroyed in a fire accident in 1897.

A wooden replica of the gems studded Golden Throne is also installed inside the Wooden Palace and visitors were seen paying respect to the throne with folded hands.

The gems studded Golden Throne at the Palace cannot be viewed on all 365 days as it is not displayed for public viewing. The dismantled throne is kept in the strong room at Mysore Palace is taken out only during Dasara, to be assembled for the Titular Head of the erstwhile Mysore Royal Family to ascend the Throne for the Khas Durbar (Private Durbar). Later, Golden Throne is dismantled and placed inside the strong room. As many visitors cannot view the Golden Throne at the Palace, they are thronging the Dasara Exhibition Grounds to look at the Golden Throne and also the Wooden Mysore Palace, besides clicking selfies and photos. The initiative of KEA Chairman Ayub Khan is being widely appreciated by all.

Actor Shiva Rajkumar inaugurates Srirangapatna Dasara

Srirangapatna, Oct. 6 (BS)- Srirangapatna Dasara celebrations with Jumboo Savari began on Friday, with popular Kannada film actor Dr. Shiva Rajkumar doing the honours associated with the traditional festival.

Actor Shiva Rajkumar accompanied by Agriculture and District Minister N. Cheluvarayaswamy, offered floral tributes to the idol of Goddess Chamundeshwari installed inside the wooden howdah carried by Dasara jumbo Mahendra, during the auspicious time at 3.30 pm, marking the launch of the colourful procession, from the elevated platform built in front of Bannimantap at Kirangur Circle in the town.

The local folk troupes along with *poorna kumbha* took out the procession, adding a festive touch to the traditional event.

Earlier, the priests led by Dr. V. Bhanuprakash Sharma performed various religious rituals. The three-day Srirangapatna Dasara concludes today.

Jumbo runs amuck

Lakshmi, the kumki elephant accompanying howdah elephant Mahendra, ran amuck, triggering tense moments for a while during the procession. The Kumki elephants Lakshmi and Hiranya, had been brought to the town along with main elephant Mahendra, on Thursday. Lakshmi started to run amok due to fear, when the procession reached Mini Vidhana Soudha junction.

The bystanders, who were caught off-guard over the unusual behaviour of the elephant, ran helter-skelter.

However, the alert Mahouts and Kavadis brought the elephant under control. However, no casualties were reported.

Don't touch bulbs

Director (Technical) of CESC K.M. Munigopal Raju said, Dasara illumination this time has been made in an attractive way, with better focus on prominent roads and circles in the city. Following the rainfall, there are chances of electrical malfunctioning. Hence, the people are requested not to come in close contact with the electric bulbs, while taking photos, to avoid electric shock.

MUDA 50:50 site allotment scam

Original records of six 40x60 sites in Devanur 3rd Stage go missing

Included in 100 files taken by Urban Development Minister Byrathi Suresh in a helicopter: MUDA staff

Mysuru, Oct. 6 (RK&BCT)- Even as the probe into massive corruption in Mysuru Urban Development Authority (MUDA) land deals has intensified, critical documents tied to sites approved under the 50:50 scheme are vanishing without a trace from MUDA's record room.

Under the spotlight were the 14 MUDA sites in Vijayanagar 3rd and 4th Stages, worth crores of rupees, initially allotted to Chief Minister Siddaramaiah's wife, B.M. Parvathi. Though these sites have been voluntarily returned to MUDA, the original documents related to other 50:50 transactions have mysteriously disappeared.

Even more alarming, the 'file tracking records' that should account for the movement of these documents from one section to another have also vanished, fuelling suspicions and raising serious questions.

Complaint on Sept. 5, 2024

Real estate and RERA analyst, as well as social activist M.D. Adish Sagar, lodged a formal complaint on Sept. 5, 2024, with MUDA Chairman K. Marigowda and Commissioner A.N. Raghunandan, urging immediate action to report the disappearance of original site documents to the Police and lodge a criminal case.

Kantha and Shanthakumar, residents of Rajendranagar, Kesare 4th Cross, Mysuru, were jointly allotted six prime sites (site numbers 1/83, 1/84, 1/85, 1/86, 1/87, and 633/B) in Devanur 3rd Stage, each measuring 40x60 feet.

Shockingly, the original approval documents for these valuable sites have been stolen and destroyed. Adish Sagar has demanded an urgent investigation and is pressing for a complaint to be filed with the Lakshmipuram Police Station, insisting on registering an FIR against the officers and staff involved in the disappearance of the files.

Byrathi Suresh

No information given under RTI

In his complaint, Adish Sagar highlighted that even after a month of filing an RTI (Right to Information) application, the requested information remained elusive. Frustrated by the delay, he contacted MUDA's Zonal Office-5B Site Section Special Tahsildar Mohanakumari, who directed him to follow up with office assistant Ratna or case manager K.C. Umesh.

Upon further inquiry, Sagar discovered a startling revelation: Close associates of Urban Development Minister Byrathi Suresh — Suresh and Upendra Singh from Bengaluru, along with Ramesh from Mysuru and others — had allegedly taken the crucial documents via helicopter along with the Minister. This shocking claim was detailed in Sagar's complaint letter, raising serious concerns about the handling of the files.

Breach of protocol

On May 30, 2024, Adish Sagar reported a serious breach of protocol during the tenure of then Commissioner G.T. Dinesh Kumar. First Division Assistant M. Prashanth allegedly gained unauthorised access to MUDA's restricted record room, reserved only for authorised personnel, and illegally obtained sample approval letters numbered between 1384 and 14141, he alleged.

In a blatant violation of procedure, Prashanth also retrieved six site files approved under the controversial 50:50 scheme. These illegal actions were documented under dispatch number 0869, receipt number 1161 and delivery number 300, raising significant concerns about the integrity of MUDA's internal operations, Adish Sagar pointed out.

Concealing illegal activities

The original documents tied to the approval process of these sites were permanent records that should have been securely stored at MUDA's Zonal Office 5B under the Special Tahsildar's supervision.

However, these files have mysteriously vanished, prompting Adish Sagar to demand that those responsible be charged under Bharatiya Nyaya Sanhita (BNS) Section 238 for concealing criminal evidence, Section 241 for the theft of Government documents and Section 303 (1) for the theft of assets or records.

Sagar has made a grave allegation, claiming that individuals within MUDA are deliberately stealing and destroying original site allotment documents in a calculated attempt to conceal their illegal activities.

MUDA officials slog to submit 8 lakh records

Purchase 9 photocopying machines; to compile records from 2005 to 2024

Mysuru, Oct. 6 (BLU, DM& BCT)- The officers of Mysuru Urban Development Authority (MUDA) are grappling with an overwhelming task: Submitting eight lakh paper and ledger records to the Desai Commission, a one-man investigative body led by retired High Court Judge Justice P.N. Desai.

With this monumental challenge, MUDA has been forced to purchase nine new photocopying machines, costing Rs. 19 lakh, to cope with the sheer volume of documents required for submission.

The staggering demand for records has placed immense pressure on MUDA officials, who must compile detailed documentation on illegal site allocations — including 50:50 ratio sites, incentive plots and alternative allotments — to present to the Commission.

All certified copies

The burden doesn't stop there. The Desai Commission has mandated that every record submitted must be certified, a directive given to MUDA Commissioner A.N. Raghunandan, further increasing the workload. MUDA officials are racing against time to compile and verify documents from as far back as 2005 till 2024, especially the meeting minutes from all MUDA meetings since 2006.

The new photocopying machine.

To tackle this colossal administrative burden, MUDA has deployed the new machines alongside four existing ones, beginning the marathon task of photocopying thousands of pages. But the task is not simply about copying — every document must be certified, bound and prepared for submission.

What used to be a routine 10.30 am to 5 pm workday has now transformed into overnight shifts, with staff working through the night under immense pressure.

MUDA is also required to submit records concerning the approval of 14 alternative sites in Vijayanagar Third and Fourth Stages, allotted in exchange for 3.16 acres of land belonging to Chief Minister Siddaramaiah's wife, B.M. Parvathi, to the Lokayukta. As the Lokayukta intensifies its investigation, MUDA officials are racing against clock to complete this laborious process.

A large team of officials and assistants is involved in this Herculean effort — from photocopying and certifying to binding and transporting these documents to the Commission's office at Kumara Krupa Guest House in Bengaluru. MUDA officials are slogging through the night, navigating a sea of paperwork and mounting pressure in one of the State's most significant corruption investigations.

Relief to CM from Lokayukta questions likely until Dasara

Mysuru, Oct. 6 (BLU, DM & BCT)- The Lokayukta Police have intensified their investigation into the alleged Mysuru Urban Development Authority (MUDA) 50:50 ratio alternative sites allotment scam, following an FIR filed by the anti-corruption agency against Chief Minister Siddaramaiah, his wife B.M. Parvathi and others for the illegal allocation of 14 sites.

Given the current circumstances, it appears Siddaramaiah may find relief until Dasara, as it seems unlikely that the Lokayukta Police will issue any notices to him to appear for questioning before the festival.

In a significant development, a team of over 20 Lokayukta officers, led by Dy.SPs Maltesh and Mathew Thomas, conducted a comprehensive records search at MUDA yesterday, gathering crucial information from MUDA Commissioner A.N. Raghunandan.

Recently, the Lokayukta Police completed a spot mahazar of the 3.16 acres of land owned by CM Siddaramaiah's wife Parvathi in Kesare, along with the 14 sites allotted to her under the controversial 50:50 ratio scheme.

This inspection was conducted in the presence of complainant Snehamayi Krishna. The team is now focused on gathering all pertinent documents and records related to the land and the alternative sites allocated in Vijayanagar.

Speculation is mounting regarding whether the Lokayukta will summon Siddaramaiah, Parvathi and Mallikarjun to their office for questioning or conduct the inquiry at their residences.

With a looming Dec. 24 deadline to submit a report to the Bengaluru Special Court for Elected Representatives, the Lokayukta is expected to accelerate its investigation, aiming to conclude within the next two and a half months.

The FIR, filed following a court order, has named Siddaramaiah as accused No. 1, Parvathi as accused No. 2, her brother Mallikarjunaswamy as accused No. 3 and the Kesare land owner Devarju as accused No. 4.

Police Band rehearsal...

The Police Band teams — both Kannada and English Bands — rehearse at the Mysore Palace premises this morning. Teams drawn from various Police forces are part of the team and their main performance is scheduled for Tuesday (Oct. 8) from 6.30 pm to 8.30 pm in front of the magnificent Palace.

Furry friends steal the show

Dr. Sudha Murty, former Chairperson of the Infosys Foundation and current Rajya Sabha Member, attended the Pet Show with her Golden Retriever, Gopi.

(Continued from page 1)

Indigenous breeds like Mudhol and Rajapalayam also made their presence felt. A dog show competition is also being conducted in four categories — adult male, adult female, sub-adult, and puppies — where dogs are judged in four rings based on their walking style, behaviour, and obedience to commands.

Dr. Sudha Murty, former Chairperson of the Infosys Foundation and current Rajya Sabha Member, attended the Pet Show with her Golden Retriever, Gopi. She registered Gopi for the competition on the spot.

Dr. Murty shared that she learned about the Pet Show and competition and decided to participate with her dog. She has written four books featuring Gopi, which have been translated into many languages. A portion of the royalties from these books has been allocated to Gopi, who uses

it to feed stray dogs. "Gopi is a bigger social worker than I am," she quipped with a smile.

Present at the event were Raitha Dasara Sub-Committee Special Deputy Officer Dr. M. Krishnaraju, Working President K.H. Ravi, Assistant Secretary and Deputy Director of the Animal Husbandry Department Dr. Nagaraj, among others.

NaMo Bharat Rapid Rail on Mysuru-Bengaluru route

Bengaluru, Oct. 6 (Agencies)- Railway Minister Ashwini Vaishnaw has announced that the newly launched NaMo Bharat Rapid Rail (Vande Metro), inaugurated by Prime Minister Narendra Modi, will cater to short distances, specifically routes like Bengaluru to Mysuru and Bengaluru to Tumakuru.

"These trains are designed for cities such as Bengaluru and Mysuru. The distance between Bengaluru and Mysuru is 135 km — an ideal span for rapid rail, allowing us to operate at a high frequency. Routes like Bengaluru to Mysuru and Bengaluru to Tumakuru are perfect for the NaMo Bharat Rapid Rail," he stated in Bengaluru yesterday.

Engineered for high-speed connectivity between cities located 150-200 km apart, these trains will reach a maximum speed of 130 km/h. Similar to the Vande Bharat trains, the NaMo Bharat Rapid Rail boasts faster acceleration and deceleration, significantly reducing travel times, according to the Minister.

The NaMo Bharat trains promise a world-class travel experience, with the first rake manufactured at ICF, Chennai. They aim to replace the existing mainline EMUs (MEMU), providing a metro-like experience with options for both seating and standing.

Each 12-coach train can accommodate 1,150 seated passengers and 2,058 standing passengers. Unlike traditional metros that primarily serve urban stations, the NaMo Bharat Rapid Rail will connect inter-city destinations, effectively linking urban centres with their surrounding areas and catering to a broader travel range.

The trains feature cushioned sofas for seating and air-conditioned coaches. While many observers note a resemblance to the Vande Bharat Express, the NaMo Bharat Rapid Rail offers more characteristics of suburban metro trains, including automatic sliding doors and engines at both ends. Additionally, the service will be unreserved, enabling passengers to purchase travel tickets just before departure.

'Agriculture can be profitable using modern technologies'

Mysuru, Oct. 6 (MTY&VNS)- Agricultural sector can be made profitable by using modern technology, said Agriculture Minister N. Cheluvarayaswamy, here yesterday. He was speaking after inaugurating Raitha Dasara-2024 at MMC&RI Platinum Jubilee Auditorium at J.K. Grounds.

Stating that sustainable growth in agriculture was possible to help farmers lead a comfortable life, he said: "Apart from agriculture, modern technologies should also be implemented in horticulture, pisciculture (fish farming) and animal husbandry for farmers to make good profits. They must also ensure to take proper guidance from progressive farmers to achieve good results."

Taking a dig at the opposition parties, Cheluvarayaswamy said that the overwhelming rainfall in the State had silenced opposition parties who had stated that 'the State would not receive rainfall on Siddaramaiah becoming the Chief Minister.'

"Farmers are the backbone of the country and measures have been taken for development of Agriculture on which the farmers depend. Around 99 percent of funds allocated in Budget has been utilised apart from distributing agriculture machineries worth Rs. 1,000 crore to farmers. The subsidies to farmers are being directly credited to their bank accounts through Farmer Registration and Unified Beneficiary Information System (FRUITS) avoiding the middlemen menace," he added.

On the occasion, the following persons were felicitated:

Agriculture: H.B. Jagadish (Hadya), Vishwanath (Gopalapura), B.A. Prakash (P. Basavanahalli); **Horticulture:** Shivanna (Nuggahalli), S. Lingaraje Urs (Kollegal), S. Manjunath (Siddaiahnahundi); **Animal Husbandry:** Suhas Sridhar (Devanur), S.D. Mahadev (Naviluru) and Manjula (Bommanayakanahalli); **Sericulture:** Ramesh (Vijayapura), B.R. Mahadev (Attiguppe) and K.C. Vijaykumar (K.R. Nagar).

Minister for Sericulture and Animal Husbandry K. Venkatesh, MLAs K. Harishgowda, Rameshbabu Bandisiddegowa, State Guarantee Schemes Implementation Authority Vice-Chairperson Dr. Pushpa Amarnath, Raitha Dasara Sub-Committee President Karigowda and others were present.

Earlier, a jatha was also taken out to create awareness about agriculture from Kote Anjaneyaswamy Temple to J.K. Grounds. The jatha was flagged off by Ministers N. Cheluvarayaswamy and K. Venkatesh.

Along with tableaux of Forest and Horticulture Departments, nandi dwaja, nagari, tamate, veeraghase, veerabhadra kunita, chilipili gombe, puja kunita, nadaswara and Tibetan artistes added glitter to the procession.

The jatha also created awareness on various agriculture equipment such as drone-2, sugarcane harvesting machine, sugarcane planting machine, combine harvester among others.

The Agriculture Exhibition at the J.K. Ground also displayed rare varieties of animal breeds such as Bandur sheep, Hallikar cow, Ongole cow, Gir cow and Punganur cow and others.
